### **Description of Project**

CR&R has submitted an application to operate a Materials Recovery Facility (MRF) at Prima Deshecha Landfill. The MRF will consist of a five acre facility to allow for the recovery of recyclable materials from primarily self hauled loads of waste which are brought to the landfill. The MRF is proposed to be built and operated entirely on the landfill property. The Prima Deshecha Landfill is a 1,530-acre existing landfill site. The LEA accepted the Solid Waste Facility Permit (SWFP) application package on March 30, 2009.

### **Purpose of the Meeting**

This informational meeting is for any interested parties to learn more about the proposed solid waste facility permit (SWFP) for this facility and to provide comments to the LEA regarding the proposed action. After this informational meeting, the proposed SWFP permit along with the application package and comments from this meeting will be submitted to the California Integrated Waste Management Board (CIWMB) for additional public meeting(s). If you wish to be notified of the CIWMB meeting(s), please notify the LEA in writing no later than May 1, 2009.

### **Where to get additional information**

A copy of the application package is available for public review by appointment in the LEA office located at 1241 E. Dyer Road, Ste. 120, Santa Ana, CA 92705.

### **Options for Submitting Comments and LEA Contact Information**

If you have any questions after reviewing the above information or would like to schedule an appointment to review the SWFP application package, please contact Kathryn Cross via phone at (714) 433-6270 or by email at [kcross@ochca.com](mailto:kcross@ochca.com). If you would like to comment on the proposed permit action, you may do so at the meeting or send your written comments via email or fax (714-754-1768) to Kathryn Cross within 20 days of the date of this notice.

### **Appeals Process Information**

For information on the appeals process pursuant to Public Resource Code §44307 after the decision to issue or deny the permit revision(s) has occurred, you may contact Kathryn Cross at (714) 433-6270.
